Your Ministry During COVID-19: Re-Opening

We have been dealing with challenging times. Your federal and state governments have taken several preemptive and reactionary steps to help combat the impact of COVID-19; many of you are still reeling from these effects.

However, as time has passed numerous states and localities are looking to “reopen” and are discussing the safest way to accomplish a “return to normal”. While your specific congregations’ situation is governed by federal, state and local guidelines and ordinances – below are helpful links that can be used as your congregation determines the next best steps.

Insurer & House of Worship Specific Links
